

To configure a Brompton, work through the five stages, ticking the check box of those features you would like to incorporate; stages 1 – 5 require a selection to be made. The total price is the sum of the items you have selected. Although we normally keep the same prices for a year, we reserve the right to alter prices without notice.

N.B. Please consider the colours employed here as indicative only; colours on paper form cannot match exactly those found on a metal bike. For an all-steel bike the handlebar stem is the same colour as the bike's extremities. In the case of a Superlight bike, the handlebar stem is the same colour as the bike's main frame and the extremities are left unpainted. No pump is fitted to Superlight bikes.

NOTES:

1. Terms of trade are pro-forma: goods will only be despatched after payment has been received in full.
2. Certain accessories are subject to a primary trade discount (ranging up to 24%), giving reduced trade prices and a better margin to cover handling on these items.
3. Some items, when bought with a bike as a factory-fitted option, have a retail price lower than when bought separately.
4. Front luggage prices are the same on-bike or off-bike, except for the trade price of the block, which is slightly higher when factory fitted (but of course you save the trouble of fitting it).
5. No charge is made for carriage to Mainland Canada for orders over £650 (trade-value) or in respect of spares/accessories whose trade-value exceeds £180. On other orders, carriage is charged at cost, min £3
6. Brompton Bicycle Ltd reserves the right to alter prices without notice.
